

Electronic Data Exclusion and Vehicle Parts Exclusion

Commercial Motor Vehicle Policy Endorsement

Your policy is amended as follows:

Notwithstanding anything to the contrary in this policy or any endorsement, the following Electronic Data Exclusion applies to all sections/parts of the policy and the following Vehicle Parts Exclusion applies to section 1 of the policy. Any equivalent, corresponding or comparable electronic data exclusion and vehicle parts exclusion (whether in the policy or in any endorsement) are deleted.

Important note: Any equivalent, corresponding or comparable electronic data exclusion and vehicle parts exclusion that apply to your policy may not be called by, or have a heading, with the same name (or may not have any name or heading). For example (and depending on your policy), Electronic Data Exclusion may be named or known as loss of electronic data and the Vehicle Parts Exclusion may be named or known as vehicle parts, vehicle components, breakdown, or mechanical and/or electrical breakdown/failure.

Electronic Data Exclusion

1. This policy does not insure **loss of data** or **loss of data value** or liability of any type in connection with any **loss of data** or **loss of data value**.
2. This policy does not insure any costs or expenses of any type (including defence costs, fines or court costs) arising from any prosecution, claim or liability in connection with any **loss of data** or **loss of data value**.

This exclusion does not apply to **loss of data** that results directly from physical loss or physical damage that is covered by Section 1 of the policy.

The following definitions apply to this Electronic Data Exclusion:

computer system	includes any computer operating system, hardware, programme, software, communications system, information repository, microchip, integrated circuit or similar device in computer equipment or non-computer equipment, including any similar system or configuration of the aforementioned, whether the insured's property or not.
electronic data	means information, facts, concepts, code or any other information of any kind and whether owned by the insured or not that is recorded or transmitted in a form to be used, accessed, processed, transmitted or stored by any computer system .
loss of data	includes any actual or alleged: <ol style="list-style-type: none">1. loss of, alteration of, or damage to any electronic data, or2. cost in correcting or reprogramming any electronic data, or3. reduction in the functionality, availability or operation of any electronic data, or4. cost involved in retrieving electronic data.
loss of data value	means any actual or alleged loss in the value (whether financial or otherwise) of any electronic data .
