Introduction

Welcome	Welcome to AMI. Thank you for selecting us as your insurer.
About this policy	You Mobile Business Assets Policy consists of: <ul style="list-style-type: none">(a) this policy document, and(b) the schedule, and(c) any endorsements or warranties that we apply, and(d) the information you have provided in the application.
Your duty of disclosure	You have a legal duty of disclosure when you apply for insurance. This means you or anyone acting on your behalf must tell us everything you know (or could be reasonably expected to know) that a prudent insurer would want to take into account in deciding: <ul style="list-style-type: none">(a) to accept or decline the insurance, and/or(b) the cost or terms of the insurance, including the excess. You also have this duty every time your insurance renews and when you make any changes to it. If you or anyone acting on your behalf breaches this duty, we may treat this policy as being of no effect and to have never existed. Please ask us if you are not sure whether you need to tell us about something.
Defined words	If a word is shown in bold it has a specific meaning. There is a list of these words and what they mean in Section 10 – ‘Definitions’.
Examples	We have used examples and comments to make parts of this policy easier to understand. These examples and comments are printed in <i>italics</i> and do not affect or limit the meaning of the section they refer to.
Headings	The headings in this policy are for reference only and do not form part of it. They are not to be used when interpreting the policy document.

6. How we will pay

6.1 Basis of settlement

We will indemnify **you** using whichever of the following options **we** choose:

- (a) where **insured property** is lost or **destroyed**: pay **you** the cost to replace the **insured property** with property of a similar condition, age and specification, as it was in, immediately prior to the **loss**, or
- (b) where **insured property** is physically damaged but not **destroyed**: pay **you** the cost to repair the **loss** to the damaged part of the **insured property**, as nearly as possible, to the condition it was in immediately prior to the **loss**, or
- (c) pay **you** an amount equal to the indemnity value of the lost or damaged part of the **insured property**.

However, if the item of **insured property** is under two years of age at the time of the **loss** and **you** supply **us** with sufficient evidence of the item's age, **we** will indemnify **you** using whichever of the following options **we** choose:

- (i) where **insured property** is lost or **destroyed**: pay **you** the cost to replace the **insured property** to a condition substantially the same as its condition when new, or
- (ii) where **insured property** is physically damaged but not lost or **destroyed**: pay **you** the cost to repair the **loss** to the damaged part of the **insured property** to a standard that is reasonably equivalent to its condition and relative quality when new, but without necessarily reproducing it exactly.

6.2 Basis of settlement: Certain types of property

The method of indemnity for the following types of **insured property** will be as follows, regardless of any basis of settlement shown in the **schedule** to the contrary.

Data

For **loss to data**, **we** will pay the cost of blank media plus the cost of copying the **data** from back-up or from originals of a previous generation.

These costs will not include research and engineering, nor any costs of recreating, gathering or assembling the **data**.

If the media is not repaired, replaced or restored, **we** will pay the cost of blank media. However, **we** do not cover the value of the **data to you**, even if the **data** cannot be recreated, gathered or assembled.

Software

For **loss to software**, **we** will pay the reasonable cost of restoring, re-setting or re-programming the **software** that is necessary to operate any electronic equipment or **machine** insured under this policy.

Stock

For **loss to stock** that is not **customers' goods**, **we** will indemnify **you** by one of the following methods:

- (a) for raw materials, supplies and other merchandise not manufactured by **you**:
 - (i) the replacement cost at the time of replacement, provided that the replacement is carried out within a reasonable period of time, or
 - (ii) if this property is not replaced, the market value of it at the time and place of the **loss**.
- (b) for materials in the process of manufacture: the replacement cost of the raw materials and the cost of labour and other overhead charges expended at the time of the **loss**.
- (c) for finished goods: the replacement cost of the raw materials and the cost of labour and other overhead charges expended before any allowance for profit, or the cost of re-stocking these goods, whichever is the lesser.

For **loss to stock** that is **customers' goods**, **we** will at **our** option pay:

- (a) the indemnity value of the **customers' goods**, or
- (b) the cost to repair the **customers' goods**, as near as reasonably possible, to the condition they were in immediately prior to the **loss**.

7. What we will pay

7.1 Maximum amount payable

The most **we** will pay during an **annual period** for **contents**, **stock** or any individually specified item of **insured property** is the corresponding sum insured shown in the **schedule** for **contents**, **stock** or that item as applicable.

However, the most **we** will pay for all **insured property** during an **annual period** is the 'Total sum insured' shown in the **schedule**.

7.2 Reinstatement of sum insured once repaired/replaced

The sum insured will only be reinstated once the repair or replacement of the **insured property** that suffered the **loss** has been completed.

The sum insured will not reinstate following any claim arising from **natural disaster damage** unless **we** have agreed to the reinstatement in writing.

We may ask **you** to pay an additional premium for any reinstatement of the sum insured.

7.3 Sub limits

If any sub limit in this policy is higher than the maximum amount payable for the applicable **insured property** as shown in the **schedule**, the sub limit does not apply and the most **we** will pay is the maximum amount payable.

7.4 Customers' goods

The most **we** will pay for **customers' goods** during an **annual period** is \$20,000 unless a different amount for **customers' goods** is shown in the **schedule**.

7.5 Excess

The excess shown in the **schedule** will be deducted from the amount payable for each **event**.

Where an **event** occurs over a period of more than 72 consecutive hours, one excess will be deducted for every 72 consecutive hour period.

7.6 One excess

If a single **event** causes sudden and **accidental loss** to tangible property that **you** insure with **us** under more than one policy, only one excess will apply, being the highest applicable individual policy excess. This does not apply to any **natural disaster damage**.
